PLEASE READ PRIOR TO USE OF THIS COVER!

WARNING: NOT LIABLE FOR REPAINTED SURFACES OR LACQUER PAINT.

Repainted vehicles should not be covered for a minimum of 6 months. It is best to check with your painter or body shop for recommended "cure" time. Use of any cover on a repainted vehicle may cause damage.

CAUTION: DO NOT cover a wet vehicle.

CAUTION: DO NOT cover a hot tail pipe.

CAUTION: DO NOT use while charging your electric vehicle - potential fire hazard.

CAUTION: DO NOT cover a vehicle with convertible top down, windows or sunroof open, or while trailering a vehicle.

PROPER CARE OF BOAT COVERS

WARNING: Only our Mooring Cover is designed to be used in the water (mooring). Using any other cover for mooring or in any way other than the manufacturer's intended use voids all warranties.

- Avoid letting water or snow stand on the boat cover. Use support poles, straps, or bows as needed.
- Take proper precautions by padding windshield, trolling motors, depth finders, etc. before installing boat cover.
- Allow boat cover to dry thoroughly before folding or storage.
- Never use your boat cover for a purpose other than the manufacturer's intended use.
- The color of your cover will naturally fade as a result of the elements; this fading is NOT covered under the terms of the warranty.
- Please carefully use the nylon clips and buckles as they are not covered under warranty.
- **EXTREMELY IMPORTANT!** The cover must be installed properly, strapped down tightly and securely, as any flapping of the cover will cause ripping / tearing and may cause damage to your boat.
- It's your responsibility to secure and periodically check your boat cover during transportation and as such, we will not be held responsible for any damage caused by the cover ripping, tearing of flapping in the wind.

WEATHER CONDITIONS:

HIGH WINDS: In areas with high winds or subject to thunderstorms be sure to secure your cover using rope/gust guards (not provided) and tie down grommets or straps (if provided with product). Do not rely solely on the on the elastic hem at the bottom of your cover in high wind conditions.

FREEZING WEATHER: In freezing conditions or temperatures below 32 degrees a layer of ice can form in between the cover and the vehicle. This layer of ice must be thawed before removing the cover to avoid any damage to the cover or the vehicle. To expedite the process you may pour warm water on the cover while gently pulling the cover off the vehicle. If there is any resistance continue to pour warm water until the cover pulls off with no resistance.

LIMITED WARRANTY US AND CANADA ONLY

Budge Industries, LLC. with its principle place of business at 101 Greenwood Ave, Suite 100, Jenkintown, PA 19046, warrants to the original purchaser that it will correct any defects in material or workmanship by repair or replacement of this vehicle cover, from the date of purchase.

To have this warranty honored, the original purchaser should return a 3"x3" swatch of the cover material with the size tag attached, along with a copy of the receipt, to Budge Industries LLC., 840 4th Street, Henderson, KY 42420.. The size tag is located on the underneath side of the cover toward the front, sewn into a seam. It is a small, white tag with manufacturer markings and a part number on it, The repaired or replaced cover will be returned to the sender within 45 days of its receipt.

Please note, we are not responsible for damage to the vehicle or cover caused due to external factors. These can range, but are not limited to, damage caused by animals, natural disasters/extreme weather or chemical damage.

THE EXPRESS WARRANTY SET FORTH ABOVE IS THE ONLY WARRANTY APPLICABLE TO THE PRODUCT AND IS EXPRESSLY IN LIEU OF ANY OTHER WARRANTY, EXPRESSED OR IMPLIED WARRANTY OF MERCHANTABILITY OF FITNESS FOR A PARTICULAR PURPOSE.

CARE INSTRUCTIONS

To clean your cover, we suggest diluting a mild liquid detergent in warm water, then softly cleaning with sponge. If hand washing your cover, we suggest you install it on your vehicle.

OR

Wash in front load/triple commercial washer, in cold water with ¼ cup of mild liquid laundry detergent. **RINSE THOROUGHLY**, Line or air dry your vehicle cover. **NEVER PLACE YOUR COVER IN A DRYER!!!**
